- As there is such a huge variety of kitty meals nowadays, we do not provide food – so please make sure you send enough to cater for your cat(s) during their stay with us.
- We stock clumping, wood pellet and paper litter. Litter is included in the fee.
- Please send any toys or blankets your cat(s) are comfortable with – though we do have lots here, so it is not mandatory to send anything!
- Please leave your cat carrier with us so we can use it to carry your cat(s) to the outdoor exercise area.
- Cats are allocated their own bedroom equipped with everything they could possibly desire. Only cats from the same family will board together.
- Cats will be able to roam a large indoor space every evening and overnight – in addition to their bedroom.
- Unless the weather is extreme, cats will be taken to the outdoor enrichment area for at least one hour per day. If it is a nice day, and you are happy with it – they can stay in the run all day. Please specify your requirements upon drop off.
- All male cats older than 6 months MUST be neutered.
- If you have rescued your cats(s) (from any individual or organisation), please inform us of as much history as you are aware.
- All cats must be fully vaccinated (to include at least: Cat Flu, Feline infectious enteritis, Feline Leukaemia virus). A photo / copy of your vaccination, flea and worming treatment records must be emailed / handed to us prior to the commencement of your booking. Our email address is: hello@animalmagicfamily.co.uk
- All cats must be wormed for all known species at regular intervals.
- Under no circumstances should you send your cat to us if fleas are suspected / seen. PLEASE check for them regularly and treat as necessary. Do your best to keep your home flea-free! You MUST ensure treatment is administered before sending your cat to us for any Boarding booking, and evidence must be provided.
- Please be honest about behavioural problems. There are a lot of luxurious items in our cat bedrooms – and though we naturally expect some scratching damage, we will unfortunately have to charge a replacement fee if any of our belongings are seriously damaged! Some cats are regrettably more suited to cattery environments.
- If your cat requires any medication during their stay, please remember to hand us the product(s) with clear instructions – in writing.

- Please let us know if your cat is not allowed any treats or has any specific dietary requirements.
- We are fully insured and hold a Licence from the Local Authority.
- Though it is very unlikely that injuries will occur during your boarding booking, we have been trained in Pet First Aid and stock a comprehensive Pet First Aid Kit - therefore are able to treat minor injuries immediately and on site. If we feel that the injury and treatment are out of our range of expertise, your cat will be taken to a vet. We will contact you en route. If your own vet is unreachable for any reason, we will take your dog to the nearest vet with emergency facilities. We are registered with Vets for Pets in Keighley, Stanley House and Mearley Veterinary Groups.

Payment Conditions (Cat Boarding)
